DIV. OF OIL, GAS & MINING

Ms. Marjorie Thomas
P.O. Box 3
Vernon, Utah 84080

Dear Ms Thomas:

On April 18, 2008, the Bureau of Land Management (BLM) Salt Lake Field Office received your notification letter stating that you had completed operations and had begun reclamation activities for your Exploration Notice serialized U-77831 on the Blue Beauty #28 mining claim in Tooele County, Utah.

On July 21, 2009 BLM personnel conducted a surface compliance inspection at the site and concluded that reclamation and re-vegetation was satisfactory.

This letter is to inform you that with concurrence from the Utah Division of Oil, Gas and Mining (UDOGM), the BLM will release the \$2,300.00 held for reclamation of your exploration project.

If you wish to conduct any future mining related activity at the site, you will need to submit an exploration notice or plan of operations and appropriate bond prior to any surface disturbing activity.

If you have any questions, or require additional information, please contact Stephen Allen of my staff at (801) 977-4360.

Sincerely,

Michael G. Nelson
